**1. TRANSFER PRINTING TANK (constant temperature)**

Machine Size	2500*900*800MM
Electric Power	220V/380V/415V AC
Material	Plating-zinc 20mm board
Motive Power	1/2HP
Dip size	500*1000mm
Heating power	6kw

**2. TUNNEL WATER WASHING MACHINE**

Machine Size	10000*800*750MM
Electric Power	220V/380V/ 50-60HZ
Material	Plating-zinc 20mm board
Motive Power	2HP

*Albarakat Group for installation and training*  
*The specialist of Waterborne Technology*

Conveyer belt	10000*800*6*10*ϕ 1. 2MM
Speed of output	0-4.6m/min
Water Usage	5-10Ton

3. TUNNEL DRYING PRODUCTION LINE

Machine Size	10000*800*750MM
Electric Power	370W
Material	2MM A3 steel
Motive Power	2HP
Conveyer belt	20000*800*6*10 ϕ 1. 5
Speed of output	0-4. 6M/min
Drying OVEN	4 sections
INNER SIZE	2000*800*450MM

4.Spray protect paint machine

Machine Size	1500*1600*2000MM*2
Electric Power	220v/380v
Material	Plating-zinc 20mm board
Motive Power	1/2HP

The offer is inclusive of training Period of 7 days & installation 3 days full system cost 250,000 Saudi Riyals
